## **CLINICAL THORACIC SURGERY EXPERIENCE**

I was privileged to have my General Thoracic Surgery Training at the University of Goettingen East Bremen Teaching Hospital "Klinikum Bremen-Ost" and the University of Duisburg-Essen Teaching Hospital. The latter is considered the **first center of excellence** for Thoracic Surgery in Germany "**Thoraxzentrum Ruhrgebiet**," mentored by Prof. Erich Hecker. After completion of thoracic surgery training, I joined the Faculty of Medicine at JUST in 2009, and since then, I have been practicing in the Department of Surgery and Urology. My practice focuses on adult as well as pediatric thoracic surgical conditions. It includes but is not limited to surgical treatment of thoracic malignancies, including esophageal malignancies, structural lung disorders, thoracic surgical infections, benign esophageal disorders, and surgical chest infections. Most of the procedures are performed using minimally invasive "Key-Hole Surgery" techniques.

## **TEACHING EXPERIENCE**

As soon as I joined the Faculty of Medicine, I participated in undergraduate and postgraduate teaching and training activities. I was honored to be the General Surgery Course coordinator for the 4<sup>th</sup> year medical students for one year and then for 6<sup>th</sup> year students for six years. After that, I was assigned as a program director for General Surgery Residency Training Program.

The ***undergraduate teaching experience*** includes:

1. Conducting lectures and moderating seminars
2. Supervising Morning Reports, Grand Rounds, Mortality and Morbidity meetings, Journal Clubs
3. Clinical bedside teaching
4. Small groups discussions in the outpatient clinics
5. Clinical teaching using simulation in the clinical simulation laboratory using high-fidelity simulators.
6. Organizing and arranging clinical exams for medical students in the periods mentioned above
7. Organizing and coordinating all Objective Clinical Skills Examination O.S.C.E. during the periods mentioned earlier
8. Distance Online Learning during the COVID-19 pandemic
9. Virtual Clinical Teaching during the COVID-19 pandemic
10. Organizing Distance Online Assessment and Examination for all clinical years in the academic year 2019/2020.
11. Course coordinator of the Medical Communications Skills (Med 301) in the academic year 2020/2021

The ***postgraduate teaching experience*** includes:

1. Conducting lectures and moderating seminars
2. Supervising Morning Reports, Grand Rounds, Mortality and Morbidity meetings, Journal Clubs
3. Clinical bedside teaching
4. Supervising research projects of the general surgery residents
5. Training and supervising the residents in the surgical operating room
6. Organizing and coordinating all Objective Clinical Skills Examination O.S.C.E. during 2012-2018.

The above skills and experiences were strengthened by my participation in the following academic workshops conducted by the Academic Development and Quality Assurance Center of Jordan University of Science and Technology.

### **Academic Workshops**
