

Curriculum Vitae

Personal Information	Name	Abdel Rahman A. Al manasra, M.D
	Date of birth	06, 05, 1981
	Nationality	Jordanian
	Languages	Fluent Arabic and English
	Address	Faculty of medicine Jordan University of Science and Technology P.O.Box 3030, Irbid 22110, Jordan Tel: + 962 796 453510 E- mail: abdjust@yahoo.com aaalmanasra@just.edu.jo
Current position		Associate professor of surgery, Jordan university of science and technology, consultant abdominal multi organ transplant and hepatobiliary surgeon, king Abdullah university hospital, Jordan
Education	1999-2005	MBBS (MD equivalent): Bachelor of Medicine and General Surgery, Jordan University of Science &Technology (JUST).
	2006-2011	General surgery residency program, King Abdullah university hospital.
	2011-2013	Abdominal multi organ Transplant surgery fellowship, Medical university of South Carolina (MUSC), USA.
	2013-2014	Pediatric Multi organ Transplant Fellowship, MUSC
	2014	International visiting- scholar training program, division of liver transplantation and hepatobiliary surgery, Asan medical center, Seoul, South Korea, March –April 2014.
Certification & Licensure	2022	<u>American Board of Quality Assurance and Utilization Review Physicians, Inc. CHCOM board certified, health care quality and management.</u>
	2013	<u>American Society of Transplant Surgery (ASTS),</u> liver, kidney & pancreas transplant accredited <u>fellowship certification.</u>
	2012	<u>Jordanian Board of General Surgery, Parts 1&2.</u>
	2011	<u>Higher Specialization in General Surgery.</u> King Abdullah University hospital. Jordan University of Science and Technology, Jordan.
	2010-09-22	<u>MRCS</u> (Edinburgh), (Membership of Royal College of Surgeons), Part 1
	2010-09-22	<u>MRCS</u> (Edinburgh), Part 2
	2011-2014	South Carolina Medical license, USA.
	2006-Now	Jordan medical license.
	2006-2008	United states medical license examination (USMLE) certified, (Parts 1,2

2009 CK and 2CS)
2009 ECFMG permanent certificate
2009 Tofel TTP certificate; Yarmouk University, Jordan

Training Courses

2011 CITI- refresher human subject research curriculum, Biomedical investigator and key personnel, CITI collaborative institutional training initiative. SC, USA.

2013 **Advanced Trauma Life Support (ATLS)**, MUSC, SC, USA

2014 **Introduction to management in public health**, provided by “University of Minnesota”, school of public health, USA

2014 **Clinical research**, provided by “NIH office of clinical research training and medical education”, USA

2015 Bariatric surgery master class, Medtronic center of innovation, Istanbul, Turkey.

2017 **Course planning & curriculum development**, provided by the “Academic development and quality assurance center”, Jordan university of science and technology, Irbid, Jordan.

2017 Advanced course in revision procedures and management of complex cases in bariatric surgery, Johnson and Johnson institute, AZ Sint Jan Hospital, Bruges, Belgium, May 2017

2018 **Online learning design**, provided by the “Academic development and quality assurance center”, Jordan university of science and technology, Irbid, Jordan.

2020 **Health care innovation**, authorized by “University of Pennsylvania” and offered through “Coursera”.

2021 **Performing scientific peer review** , provided online by Karger education,

2021 **Research metrics and Evaluation**, provided by Researcher Academy On Campus, ELSEVIER

2022 **Core body of knowledge (CBK)**, online enduring activity, awarded AMS PRA category 1 credits:26:00. Conducted by the American board of quality assurance and utilization review physicians.

2022 **Applying Biomarkers in Colorectal Cancer**, Provided online by: National Comprehensive Cancer Network, 3025 Chemical Road, Suite 100, Plymouth Meeting, PA 194, 62awarded 0.75 AMA PRA Category 1 Credit(s)TM

2023 **Accredited lead surveyor training** (training and exam), American accreditation commission international AACI (USA), 21st March 2023.

2023 **Primary healthcare accreditation standards of HCAC-4th edition-2022**, “Review course” through E-jawda, total of 8 hours, April 27, 2023, Health care accreditation council.

2023 **Occupational safety in healthcare organizations**, by USAID Local health system sustainability project and HCAC, 13 Sep. 2023.

2023 **Integrity of scientific research**, Deanship of academic development and quality assurance, Jordan university of science and technology, 9/23-24/ 2023.

2023 **Measuring and analyzing student learning outcomes**, Deanship of academic development and quality assurance, Jordan university of

science and technology, 9/23-24/ 2023.

Professional Experience

2005-2006
2006-2011

Internship: Princess Basma Hospital, Ministry of health, Jordan
Resident, Department of General Surgery, King Abdullah University Hospital (KAUH), Irbid, Jordan.
Abdominal multi organ Transplant surgery **fellow**, MUSC.
Fellowship: Pediatric Multi organ Transplant **Fellow**, MUSC.
Assistant professor of surgery, Jordan university of science and technology.
Consultant abdominal multi organ transplant & hepatobiliary surgeon, King Abdullah University Hospital.
